

17 St. Ives Avenue FRANKSTON SOUTH VIC

5 2 3

Fabulous chance to live in this remarkable 5 bed residence at the bottom of a quiet court amongst other quality homes. An absolute paradise on those balmy summer evenings with outlook over a free form pool and spa. Super home for entertaining with an abundance of living space and even a home office or studio on the first floor. A full ensuite and separate bathroom plus family/ meals, dining, sitting and rumpus rooms make this a perfect family home not to mention the triple garage.
