

11 Ajana Lane FRANKSTON SOUTH VIC

4 2 4

Beautifully awash with a rear northern light and unashamed in its commitment to excellence, this distinguished family home sits within one of Frankston South's most tightly-held enclaves. Originally envisioned and built by the current owners, the four-bedroom residence cultivates family unity through its harmonious indoor-outdoor design, where the charm of seven sets of French doors brings nature's beauty indoors.

Fastidiously renovated over the years to celebrate life at every stage, the single-level residence invites you through a charming verandah entry into a space where life unfurls across an expansive living and dining domain, a thoughtfully-designed culinary zone, a cosy secondary lounge with central alfresco access, and an open study that fosters creativity and productivity.
